National Taiwan University

Project Schedule & Milestone

11/03 Group member finding [form]
◦ 2~5 persons per group
◦ TA will organize for you if you do not have any group

11/11 Project proposal draft
◦ Please propose an idea related to the class

11/13 Project idea showcase
◦ TA will announce the organized project ideas
◦ You can choose the idea (or revised version) proposed by other teams

11/25 Project proposal submission
◦ Decide the project you plan to work on
◦ Please mention which ideas you refer to (they can obtain the BONUS!)

12/16 Progress report submission
◦ Grading is based on your planned milestone and the corresponding progress

Project Proposal Draft (11/11)

Your project proposal should be within one A4 page, and includes
- The problem definition
- Input of the model
- Output of the model
- Possible datasets (please put the links for references)
- Evaluation metrics
- References

Finalized Project Proposal (11/25)

Your project proposal should be within one A4 page, and includes

- The ideas you refer to or revise from
- The problem definition
- Input of the model
- Output of the model
- Possible datasets (please put the links for references)
- Evaluation metrics
- References
- **Project plan & milestones**
  - Please include dates and the corresponding progress
  - The progress report should be evaluated according to your planned schedule

You don't need to choose the draft you propose

Grading

◦ Final Presentation + Code Submission (20%)

◦ Draft + Proposal + Progress Report (5%)

- ◦ Note that the above three reports will be graded together
- ◦ You cannot get any credit if missing any
- ◦ 25% penalty per day for late submission
