THE Principle

Taking any unfair advantages over other class members is not allowed. It is everyone's responsibility to maximize the level of fairness.

- eating? fine, but no smells and no noise
- sleeping? fine, but no snoring
- cellphone? fine, but silent mode, and speak outside
- ...

applies to instructor, TAs, students

NO CHEATING

NO LYING

NO PLAGIARISM

very very very very serious consequences

- homework, midterm, final
- supplementary reference: participation in discussions
- score to be normalized with the other class

from the principle: **no individual score change**

Collaboration and Open-Book

- homework discussions: encouraged
- but fairness?
write the final solutions alone and understand them fully
- references (books, notes, Internet):
consulted, but **not copied from**
- no need to lend/borrow solutions

to maximize fairness (everyone's responsibility),
lending/borrowing not allowed

Homework

- students: justify solutions clearly
- TAs: evaluate solutions fairly
- no individual extension unless not violating the principle (e.g. institute-established cases of illness or emergency)
- late penalty:
80% of value for one-day late, 60% for two-days late, ...

three penalty-free late days per person

- **CSIE students:**
原則上不能換班 — 有意願者可找單班同學一對一交換
- **none-CSIE students:**
有空間的話會容許加簽 — 會儘量採用單雙學號分班；
一樣請先登記，下星期會決定結果
