Byte Input/OutputStreams vs. Char Reader/Writers

OutputStream

- ByteArrayOutputStream
- FileOutputStream
- FilterOutputStream
 - BufferedOutputStream
 - PrintStream

Writer

- CharArrayWriter
- FilterWriter (abstract)
- BufferedWriter
- OutputStreamWriter
 - FileWriter
- PrintWriter

InputStream

- ByteArrayInputStream
- FileInputStream
- FilterInputStream
 - BufferedInputStream

Reader

- CharArrayReader
- FilterReader (abstract)
- BufferedReader
- InputStreamReader
 - FileReader
