

更光明的未來

亮班

本聖誕樹的主題是「更光明的未來」。我們希望藉由這棵聖誕樹的反射，點燃未來的明燈，並讓世界充滿了愛、希望與光明。

在樹上有 38 片 CD 及鏡面紙，它們象徵了本班的 38 位同學。CD 的反射代表了我們所點燃的明燈，照亮了世界各個黑暗的角落。在 CD 背後的紙上，我們寫下了對明年虔誠的心願，期許一個更美好的未來，並由燈罩連線串聯了希望與亮光。樹上有一顆大星星，和許多許多的小星星，它們就像燈塔般，指引了生命的方向。我們的社區就如同一座房子，充滿了愛與溫暖，而愛讓室內增溫，並點亮了明燈。愛的炊煙從煙囪飄向世界的各個角落，讓世界充滿了喜悅。在樹下還有一些禮盒，我們愛世界，我們關心世人，我們分享事物。

如同學校的座右銘，「我們是世界之光」，我們要让世界變得更美好。祈願新的一年處處有愛、和平與歡樂。

A Brighter Future

Leo's class

The main theme of our Christmas tree is “a brighter future.” We hope the reflection of this Christmas tree can ignite the light of the future and make the world full of love, hope and brightness.

There are 38 CDs and mirror images hanging on the tree. They resemble the 38 students in my class. The reflection of the CDs represents the light we ignite, lighting up the dark side of the world. We have written our sincere wishes for the next year on the back of the CDs, hoping for a better future. The covers surrounding the lights connect hope and brightness. There are a big star and lots of small ones in our Christmas tree. They are like light towers directing the way of life. Our community is like a house, filled with love and warmth. Love heats the rooms and turns on the lights in the house. Smoke of love lifts up from the chimney to every corner of the world and makes the world full of joy. There are some boxes under the tree. We love. We care. And we share.

As our school motto said, “We are the light of the world.” We aim to change the world for the better. May the new year be blessed with love, peace, and joy.
